

VOLUNTEER PROJECT JOB DESCRIPTION

HELPING HAND HOUSE / 11701 101ST Ave. Ct E. Puyallup, WA 98373

- Job Title:** Yard Maintenance Keeper
- Job Definition:** Responsible for helping to mow the shelter yard grass, edge the grass around driveway areas, trim back all shrubs/bushes that are over grown, pull weeds and beautify the flower beds and plant any new flowers to help spruce the yard up. If needed, wash the house siding and clean debris out of house gutters.
- Job Specifications:** Would like group or individual to haul away yard debris and must be able to bring your own yard tools to use on the project. Helping Hand House doesn't provide our volunteers yard tools, but can provide yard waste trash sacks.
- Project Day:** The project can be scheduled for either a week day or weekend.
- Report To:** Lisa Heintz- Volunteer Coordinator
- Compensation:** None/Volunteer Opportunity. If a project will last all day, Helping Hand House can provide lunch, snacks, and beverages.
- Record Keeping:** Will need to have individuals read and sign the Helping Hand House Confidentiality Form and Volunteer Sign in Sheet.
- Qualifications:**
- Be able to operate a lawnmower, weed whip, and all other yard tools.
 - Be at least 10 years of age to work on the project site
 - Have landscaping knowledge
 - Be able to lift 20-25 pounds
